Crosswords compiled

Roger F Squires (UK) has compiled 74,634 crosswords as of 30 June 2013, equivalent to more than 2.25 million clues. He turned 81 on 22 February 2013, during the year he completed 50 years as a professional setter. Roger set his 2,000,000th clue in the UK's *Daily Telegraph* newspaper in May 2007, and it read: "Two girls, one on each knee (7)". (See bottom right for the answer.)

Roger's puzzles have appeared in 115 publications in 32 countries, including several national UK newspapers.
